

THE KENTUCK SUIT.

The Kentucky suit, in which Governor Stevenson is involved, is again before the Courts in San Francisco. The suit involves several questions of law as to the rights of stockholders, and also involves the question of some importance to the people of this State—as to whether the Governor of Nevada is an honest man or not.

In this suit some very damaging charges have been made affecting the integrity of our Governor, which it behooves him to fully disprove.

The APPEAL hopes, for the sake of the people of Nevada, that the Governor, on behalf of his constituents, will clear himself of these charges and show a clean record of his transactions.

It is claimed that he made false representations of the condition of the Kentucky, in order to secure from the stockholders the Kentucky securities at figures much below their value, and that he managed the affairs of the Company in such a way as to defraud the stockholders out of the just returns from their investment.

If he is guilty of these transactions, he is unworthy to occupy the highest position in the State, and if these charges have been made with a view of injuring his character, the instigators of them ought to be brought to justice for their acts.

The only thing the people care about knowing in the matter is the whole truth.

ANGRY AT HALSTEAD'S REJECTION. Both the Berliner Zeitung and the Deutsche Tageblatt unite in declaring that the rejection of Murat Halstead as Minister to Germany was wholly due to his exposure of wholesale bribery in the election of Senator Payne. The Tageblatt further says that the rejection of Halstead's nomination was a foul political assassination of that gentleman by Senator Payne. Mr. Halstead has been persona gratissima at Berlin, and his presence at the German Court would have been eminently satisfactory. Next to Halstead's appointment the hope is expressed that the place will be given to William Walter Phelps.

THE CIRCUS ADVERTISER.—The city is being canvassed in the interests of an advertising sheet printed by the circus company.

It is the queerest thing in the world that men who never consider it worth while to patronize a home paper with advertising, will jump at a chance to get their names spread over a circus schedule.

The man who prefers the circus programme to the home paper is always wild with rage if the home paper forgets to mention when he goes below or when he comes back. According to the generally accepted idea, advertising in a paper that only lasts for a day is a very short-sighted piece of business.

The jockey who pulled Al Farrow in a recent race in California, has been ruled off the association's track for life. This ruling bars him from all association tracks in America. It would have paid the jockey better to have been honest.

Archer the honest English jockey won fame and fortune by riding always to win and left not only an honest name as a legacy to his family, but a fat bank account as well. No one ever heard of a thiefing, tricky, purchasable jockey who did not die either in a jail or a poor house.

The Enterprise says that the early closing law is being disregarded in Virginia City, and that the small card games are being run after midnight all along C street. Down here in Carson it is different; the moral people of the Capital respect the law, and as for small cards, they often suspend at 11, when the victim is generally strapped.

OF INTEREST TO STONEHILL.—Bill Briggs, a pioneer faro king of San Francisco, died Monday night. Bill hermetically sealed the San Francisco police force for years, and the District Attorney didn't lose anything, either.—Enterprise.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking man ever saw. He took the first premium for 3 year-old Stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$30 for the season; \$50 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2 3 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year-old record 2 25 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 18 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
